The Student Council, with a newly revised constitution behind it, has been active throughout the year. Starting with the activities calendar, individual pictures, class elections, assemblies and a bulletin board in the fall, the members continued the year by drawing up plans for a winter week-end. Besides regular activities, other projects, which were intended to raise money for a school in Africa and a teen center in Hamilton, were planned. Under their advisor, Mr. Rikkola, the members ended up their year in student government by holding elections for next year.

The HCS baseball team, troubled by lack of experience, finished fifth in the league in 1968. Sporting a 3-6 record, the boys played well against the tough competition. The leading batter for the year was Kip McGregor with a .335 average. Four other players averaged over .250.

With fourteen boys returning, including eight lettermen, Coaches Young and Rider are anticipating a better season in 1969.

Ten out of twelve matches were won by HCS, and four school records were broken. The team continued to do well in the final weeks of their season. They placed third out of ten in a league meet, ninth out of twenty in the Section III Relay Carnival, eleventh out of twenty-one at the Utica Relays and finished sixth in a field of twenty-four teams in the sectionals. The members who broke school records were: Tom LeRoy in the hop, skip and jump; Kevin Sio in the 120 yard high hurdles; John Halloran in the mile; and Buz Collins in the two mile. The coaches were Mr. Bowers and Mr. McArthur.

The 1968 football team ended another successful season with a six and two record and a tie for second place in the Center State Conference. Under Coaches Lamb, Rider and McArthur, the boys began practice in late August. With only four starters from last year's squad, the HCS team turned out to be one of the league's strongest.

After a slow start with two narrow victories over West Winfield and Richfield Springs and a loss to league champion New York Mills, the Emeralds beat Sherburne-Earlville for the first time since 1961. Next followed a heartbreaking loss to Clinton. The team then ended the season with wins over Morrisville-Eaton, Waterville and Sauquoit.

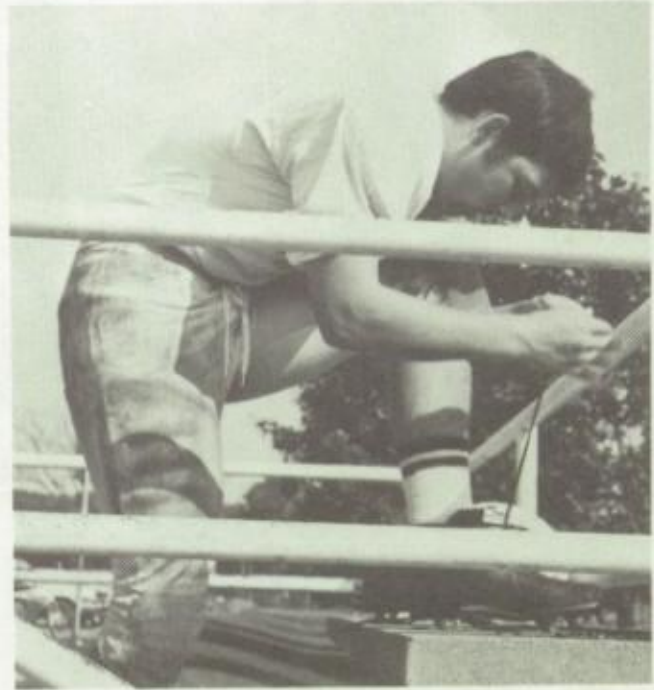

The loss of eleven seniors will be felt by the next year's team but the return of several experienced varsity and junior varsity players makes the outlook bright.

The key word for the junior varsity football squad's 1968 season was work. The boys started out the year with three close losses to Waterville, Richfield Springs and Westmoreland. Next Followed two hard fought victories over Madison and Morrisville-Eaton. The team ended its season with a 2-3-1 record by battling to a scoreless tie with Waterville. The coaches, Mr. Bowers and Mr. Breuer, feel that the boys worked hard and improved a great deal.

Next year, the loss of seven seniors will hurt the team. However, with seven players returning, the outlook is good.

The 1969 hockey team, defending the league championship, has started the new season hopeful of a performance equal to that of last year. Coached by Mr. McArthur and Mr. Ryan, and led by five of last seasons' starters, the boys have worked hard. With a well-balanced team both offensively and defensively, the squad has the potential and desire to again come out on top. Although their schedule is more difficult this year, the boys have won their first two league games.

The loss of four seniors, including the co-captains, next year will hurt the 1970 team. Prospects for a winning season are high however, for most of the starters will be returning.

The Sports Council is the governing body of girls' sports. It controls the intramural program and keeps the award system up to date. The members, who are elected each fall by their classmates, sell tickets for away football, basketball and hockey games. They also make signs to decorate the halls and generate school spirit. This year, clinics were held each season to train officials. Miss Weeden is the advisor.

Each spring, tryouts are held for the JV and Varsity Cheerleaders. The girls are judged on their poise, appearance, jump and coordination. Throughout the summer months, practices are held. The girls cheer at all pep rallies, football and basketball games and make signs for most games.

This year, the Varsity captain attended a cheer-leading camp in the summer. Both squads participated in a one-day clinic held in the fall. A new, precise style of cheering helped the girls promote school spirit. Miss Weeden is the advisor.
